## Pastor's Note

Dear Friends,

My Pastor's Note for the January 2020 newsletter read as follows:

*“In the Book of Jeremiah chapter 29 verse 11 God says, ‘For I know the plans I have for you, plans to prosper and not to harm you, plans to give you hope and a future.’ As we begin this new year and decade, it is exciting to see what God is doing at St. Luke's and in our midst. We have our hope and future in God, and I cannot wait to experience it with you all!*

*I would encourage you all to read the story of God's faithfulness to St. Luke's in the early 1970s, which you will find in this newsletter on pages 8 and 9. There are so many parallels to our current situation with the congregation at St. Luke's in the early 1970s, and there is wisdom to be learned in how they prayed, listened, discerned, and made decisions that we can apply as we approach the opportunities God is blessing us with in 2020.*

*If I could invite you to do one thing in this new year, it would be to ask yourself the question that Rev. Bill Barron asked the Elders of the St. Luke's Session in 1972 ... ‘What can we dream together and agree that we will pray about together each day that would be not for our own glory, but for the glory of God?’ I would love to hear what your dreams are for our church and ministries, and I promise that I will share your dreams with the Session so we can consider where God would have us go with the dreams, all for his glory!”*

As I consider the words that I wrote to you all in late December one year ago, none of us realized that the dreams we would dream of things to do for the glory of God in 2020 would be done in a pandemic. This past year has definitely required us to trust in God's plans for us in ways that we have never done before!

The Lord has given us his hope and a future that is built on his sure foundation. As we begin 2021, may we continue to ask ourselves the question, “What can we dream together and agree that we will pray about together each day that would be not for our own glory, but for the glory of God?” I can't wait to hear what your dreams are for our church and ministries, and I promise that I will share your dreams with the Session so we can consider where God would have us go with the dreams, all for his glory!

In God's Love,  
Pastor Jody

# **St. Luke's "Glory To God" Story**

**The following is an abridged version of the account of the T. K. Lee Story written by Rev. Bill Barron, who served St. Luke's from 1970-1977, and the T.K. Lee Planning Committee:**

When I (Bill Barron) came to St. Luke's, the Apollo space program had succeeded in achieving the goals of that decade and there had been a dramatic reduction in the work force at the Space Center. We were a very depressed community. At that time, St. Luke's had a budget of \$26,000, we were generating \$9,000/year in income, and we were receiving \$17,000 in aid from St. John's Presbytery. There were a lot of people in our church who really wondered if we would survive in spite of the magnificent start the church had had under the Rev. Hugh Hamilton.

I remember I went to a meeting of the Synod of FL where Rev. Lloyd Ogilvie of Bethlehem, PA spoke about something that happened in his church. He had asked the elders to come together and "dream dreams" to try to think of what could happen to the glory of God without any limitation if we would trust God for that. He told about the magnificent things that happened in that church. I was very, very inspired by his presentation, came back, and met with our nine elders. I said, "What can we dream together and agree that we will pray about together each day that would be not for our own glory, but for the glory of God?" After we had discussed several possibilities like someone to work with the young people (the standard kinds of requests that were being raised all the time) LeRoy Sherrer, the Superintendent of Sunday School, said, "I hope there will be so many people to come to church here that we can't seat them in this Fellowship Hall and we'll have to build a Sanctuary right out there; and we'll do it in eighteen months." The rest of us kind of looked at each other and cleared our throats. "Now LeRoy, there you go, foolin' around, be serious now, what would you really like to pray about?" He insisted that we pray about a Sanctuary together.

In the meantime, as God often works without our being aware of it, He had already started his processes for answering our prayers. There was a realtor, Mr. Moss, who was a dedicated congregation member of First Presbyterian Church of Orlando, and his pastor, Dr. Howard Chadwick, who were both involved in working with our St. John's Presbytery in new church development. Mr. Moss was aware of a very wealthy Chinese business syndicate that had approached our presbytery about giving land in North Brevard for the purpose of organizing a new Presbyterian Church. Note: The money was from a woman involved in that business syndicate who had been married to a Nationalist Chinese who was not a Christian and who had been led to Christ by a Presbyterian missionary. She wanted to express her thanks to the Presbyterian Church for having sent a missionary who was able to communicate the Good News of Christ to her husband.

Mr. T.K. Lee of New York, on behalf of the Chinese business syndicate, made a one-time gift of Xerox stock to St. John's Presbytery that was sold for \$104,562.78 for the purpose of developing a Presbyterian Church in the N. Brevard area. All surveys indicated that no new congregation would be started in this area in the near future (8-10 years).

**\*\* (SEE NEXT PAGE FOR THE REST OF THE STORY) \*\***

# St. Luke's "Glory To God" Story

Since St. Luke's was, at the time of the gift, a small mission church and a relatively new congregation, our church was presented as the logical recipient of this gift. Through the indispensable help of Mr. Moss and Dr. Chadwick, Mr. Lee directed that his gift be given to St. Luke's of Titusville. The donor gave very few restrictions; however, he did require that the entire gift be applied to buildings, including indebtedness of present buildings, repairs and remodeling, and new construction.

Over the next 9 months, the T.K. Lee Planning Committee (Ken Wall - Chair, Lee Ayres, Betty Camp, Gene Flynn, Julian Mountain, Larry Respass, David Rosine, and LeRoy Sherrer) met nine times and each member spent at least 40 hours in research, prayer, discussion, and decision making. While the Planning Committee's technical charge concerned the T.K. Lee gift only, there were several other considerations that they addressed in their work with the congregation:

1. The officers of St. Luke's were keenly aware of the danger of being "spoiled" by such a large gift, which they felt could result in a relaxed commitment by the congregation. However, Praise the Lord, the results of the Every Member Canvas showed that it did not happen.
2. Another danger was that the congregation would not feel a part of the resulting program if it was totally the result of Mr. Lee's gift. With that in mind, the Planning Committee asked the question, "What part should the congregation play in what we do?" The congregation overwhelmingly responded through the Every Member Canvas that they desired to deepen their commitment to God in Jesus Christ in time, money and ability.

As Rev. Barron wrote, "... on that Easter Sunday (in 1972) all the chairs in Fellowship Hall were filled. Wall to wall all around people were standing. The kitchen was packed both with chairs and with people. There were folks standing outside in the corridor. And on that Sunday, we got the message that our prayers had been answered and we proceeded then with another series of miraculous things that happened in the filling of that space. I'm sure you've heard the stories before ... the way we were able to secure the architect, Nils Schweitzer.\* He was a fantastic man and the only reason he took our project was that he had had a stroke and he wanted something small by his standards that he could become personally involved in as he began to work back into the routine of a daily practice. There were people, contractors who wanted to get on his bid list, so they underbid our job just to get on Mr. Schweitzer's list to do the work, which resulted in us getting the Sanctuary for about \$35,000 below cost.

There were a lot of ways in which God had his hand in this so that when we dedicated the Sanctuary in 1975, all of you who are aware of it know that there wasn't any person there with any sense of honesty who could say, 'Look what we have done.' We were all absolutely bowled over with the fact that God had been about some magnificent business, and we had been privileged to be a part of it. I am sure that God's work is continuing here and it's just part of the continuing exciting story of being alive in Jesus Christ with the fellowship of this church."

**\*Note: Nils Schweitzer (1925-1988)** was called The Dean of Orlando Architecture. He was greatly influenced by Frank Lloyd Wright, with whom he studied architecture in the prestigious Taliesin Fellowship program. Schweitzer came to Central Florida in 1953 from Baltimore to work as the Southeastern representative for Frank Lloyd Wright's firm and to oversee the design of Florida Southern College in Lakeland. He helped design the Orlando International Airport, Epcot Center's Mexican pavilion, Loch Haven Park and St. Luke Episcopal Cathedral in downtown Orlando. In 1964 he helped build the Loch Haven Art Center, and in 1985 his firm designed the addition to the Orlando Public Library.

## What Is Epiphany?

Epiphany is the celebration of God's manifestation or self-revelation to the world in Jesus Christ. In particular, we celebrate the revelation of God's promise and purpose to the nations of the world, as the magi came from the East to worship to the Christ child, and God's covenant of grace is extended to all who believe the good news of Christ Jesus. The symbolism of light is important: not only because of the star that guided the magi, but as it relates to the bright dawning of God's self-revelation in Christ.

*An excerpt from the Companion to the Book of Common Worship (Geneva Press, 2003, pgs. 94-95):*

The word "epiphany" (from the Greek *epiphaneia* or *theophaneia*) means "appearance" or "manifestation" of God, and has roots in the word for sunrise or dawn. In ancient times, an epiphany meant either a visible manifestation of a god or the solemn visit of a ruler venerated as a god.

For Christians, Christmas marks the coming of God to us; Epiphany celebrates the appearance of the Lord in the midst of humanity. The Christmas stories of the birth of Immanuel declare the divine entry; Epiphany extols the revelation of God to the world in the person of Jesus of Nazareth.

In our celebrations of Christmas and Epiphany we rejoice in the dawning and the arising of Light in darkness. ... Epiphany not only discloses the Savior to the world but also calls the world to show forth Christ, to be witnesses to God's true Light. The timeless mystery of the incarnation, God in flesh, leads us forth to show and tell of Christ as God's gift of grace and salvation for all persons. Some call this ongoing epiphany the work of Christmas.

## Thank You, Kassie!

Kassie Mudrak's last day with us as a college intern was Thursday, Dec. 24th. We were so blessed to have Kassie as part of our Office Team from June - December and will miss her smiling face, "can do" attitude, and wonderfully thoughtful prayers. # The Children's Hunger Project

Team St. Luke's helped pack more than 5,000 bags of food in 2020 to help feed hungry children in Brevard County. In addition, our church contributed more than \$2,000 throughout the year in food and financial support to help TCHP have the food needed to fill the bags. As we prepare for 2021, the need for food bags to help feed hungry children in our county will continue to be high and we will continue to provide volunteer teams to TCHP to pack food. If you would like to be part of a packing team, please let Pastor Jody know and she will make sure to let the new Elder that will be in charge of Mission activities in 2021 know that you want to help!

# The More You Know ...

The Session continues to work to provide good answers to your questions each month on our church life together. Recent questions we have been asked include:

1. What is the plan for coverage while Pastor Jody is recovering from surgery? Pastor Jody is scheduled for her second knee replacement surgery on Monday, December 28th at Deland Hospital with Dr. Mark Hollmann. She will spend one night in the hospital and then be at home for two weeks before returning to work on Wednesday, January 13th. While Pastor Jody is recovering, Rev. David Lindemer will be co-leading worship with Jose' Amador and we are so grateful to have David leading worship with us again.
2. Who are the Elders ending their time of active service on Session on 1/17/20? We have four Elders who will be rotating off of Session effective Sunday, January 17th: **Nancy Bradley, Dorothy Peters, Glen Hedden, and Layne Hamilton.** These four wonderful people have blessed our church with their time, talents and treasure in deep ways, and we are forever grateful for their leadership!
3. When will the Annual Meeting of the Congregation take place? The Session has determined the date of the Annual Meeting of the Congregation to be Sunday, January 17th, 2021. We will worship at 10 a.m. and then immediately move into the Annual Meeting. Annual Reports will be available for pick up and emailed to the congregation on Sunday, January 10th.

# A Note From Nancy Bradley

I'm using the newsletter to thank my St. Luke's family for all the prayers, cards, calls, and food received at the time of Bob's death. All of the gestures of all types offered more comfort to me than I can truly express. I am so very fortunate to be part of such a loving and caring family. Thank you, my family
